To the Stockholders of
WESTERN DEPARTMENT STORES:

Submitted herewith are financial statements of your corporation for the fiscal year ending January 31, 1950, examined and reported upon by our independent auditors, Price, Waterhouse & Co. These statements reflect the operation by the corporation of its three department stores: Kahn's, Oakland, California; Olds, Wortman & King, Portland, Oregon; and Rhodes Brothers, Tacoma, Washington.

Sales for the year were \$29,510,115, compared with \$29,730,871 in the previous year. Net profit was \$1,343,613, equal to \$3.88 per share, compared with profit of \$1,408,595, equal to \$4.06 per share in the previous year. In the previous year sales and profit were adversely affected by a strike in the Tacoma Store.

Working capital of the corporation at the end of the year was \$6,354,018 compared with \$6,008,325 at the end of the previous year. The term note payable to the bank was reduced \$100,000. The ratio of current assets to current liabilities is 3.38 to 1 compared with 3.29 to 1 the previous year.

Merchandise inventories, including goods in transit, on January 31, 1950, were \$4,122,629 compared with \$3,755,984 the previous year.

Customers' Accounts Receivable on January 31, 1950, were \$549,483 higher than the previous year.

The corporation continued quarterly dividends at the rate of 40¢ per share and a dividend of the same amount was paid April 1, 1950.

During the past year, installation of a service elevator and two freight elevators in the Oakland Store was completed. The new building in Tacoma was completed and occupied on September 1. Two of the floors of this new building were assigned to selling purposes and the adjoining floors of the Annex Building were improved and converted to selling areas. During the coming year an additional floor in the Annex Building presently used for reserve stock will be modernized and used for selling purposes, and the adjoining fourth floor of the new building will likewise be added to selling area. Last fall the Portland Store's new beauty salon was completed, and is considered one of the finest and most modern on the Pacific Coast. In addition, it is planned to modernize certain selling areas in the stores through improvement of departmental layouts and acquisition of modern fixtures.

In accordance with the provisions of the corporation's Profit-Sharing Retirement Plan, the corporation contributed, for the past fiscal year, \$156,541 compared with \$163,206 the previous year. There are presently 757 employees participating in the Plan, which is over 95% of total eligible for its benefits.

Our appreciation is expressed to all of the employees of the corporation for their sincere and effective efforts during the past year.

NOTES TO FINANCIAL STATEMENTS

Note A:

The note payable to bank is payable in annual instalments (on January 1) of \$100,000 in 1951, \$150,000 in 1952 and 1953, and \$200,000 in years 1954 to 1958, inclusive. The loan agreement with the bank provides that, without the prior written consent of the bank, the Company will not declare or pay any dividends except out of earnings subsequent to January 31 1947. The undistributed earned surplus since that date amounted to \$2,463,833.40. Two of the leases provide for rentals computed as a percentage of sales and one lease provides that the lessee shall pay a flat monthly rental plus real estate taxes in excess of a specified amount. The minimum annual rental obligation under such leases, and the total amount of rent and other charges paid thereunder, for the year ended January 31 1950, were \$445,000 and \$781,876.54, respectively.
